History of the Class of 1952 ... We Seniors

We, the class of 1952, embarked upon our glorious career as members of the student body of Orange High School in the month of September, in the year 1949.

Our first great achievement was accomplished by pulling the Sophomore class through the Ranch pond at the annual rope-pull.

We were formally accepted into the student body at the Freshman Welcome, for which we all held a grave fear. But it was not so bad as we expected as everyone had a grand time.

Our class officers for the year were: president, Arthur Martinelli; vice-president, Nancy Colo; secretary, Imogene Wallace; treasurer, Joseph Colo.

We were represented in the Student Council by Jean Graves, Imogene Wallace and David Murchie.

When the annual play contest rolled around, we put up a stiff fight for first place. We were defeated by the seniors, however, and came in second.

The freshmen proved their ability when Gene Ward was elected to represent the school at Good Government Day in Boston, and Russell J. Alf was chosen as an end man for the annual minstrel show.

We completed our first year in high school by electing Gene Ward as our class marshal.

In the following September we returned to school and with Mr. Hammond as our adviser we elected our officers. They were: President, Richard Shaw; vice-president, Elizabeth Ferguson; secretary, Jane Nelson; treasurer, Arthur Martinelli.

That year we chose as our Student Council representatives, Dorothy Newell, Jane Nelson, David Murchie, Lawrence Horrigan and Gene Ward.

We became the winner of the annual rope pull, as we had in the previous year.

Arthur Martinelli was chosen as the representative from O. H. S. to attend the Good Government Day in Boston.

Serving as cheer leaders were Jeanette Johnson, Elizabeth Ferguson and Anita Hoadley.

Once again, we took second place in the one-act play contest with our presentation of "D-298."

Russell Jauf was again selected as a minstrel end man along with another member of our class, **Leopauld Letourneau**.

Our first prom was presented on April 28, with the co-operation of the entire class.

We attended the Baccalaureate service with Richard Martinelli as our class marshal. Thus our second year in Orange High School came to a close.

We returned in the fall as upper classmen.

Junior class officers were: President, Peter Hebert, vice-president, Shirley Zant, secretary, Eleanor Rieg; treasurer, **Leopauld Letourneau**.

Representing us in the Student Council were Lawrence Horrigan, David Marchie, Jane Nelson, Gene Ward, Arthur Martineau and Imogene Wallace. Jane Nelson served as vice president of the Council.

There were six junior girls who served as cheerleaders. They were Edwina Blazejewski, Joyce Rising, Anita Hoadley, Jeanette Johnson, Joanne Rivers and Arlene Rivers.

It must have been written in the stars that we should once again take second place in the one-act play contest for we did just that with our showing of "A Night in the Country."

We presented our prom on November 17, with Thanksgiving as the basis for our decorations.

In the annual minstrel show, junior end men were Russell Jauf, Leopauld Letourneau and Peter Hebert.

Arthur Martineau and Fred Newwenger were chosen to attend Boys' State, and Marguerite Blackmer was chosen to attend Girls' State.

We closed our school year with Joseph Torchia as class marshal, and we looked forward to the time when we would return as seniors.

Upon our return in the fall, we found that our senior year was to be a very busy one.

We elected our class officers to represent us in our final year as follows: President, Gene Ward, vice-president, Ruth Lindgren, secretary, Joyce Rising, treasurer, Paul Guernette.

Lawrence Horrigan, Arthur Martineau, Walter Wrigley, David Marchie, Gene Ward, Paul Guernette and Jane Nelson were elected to the Student Council. Those serving as officers of the Council were: President, Arthur Martineau, secretary, Jane Nelson, treasurer, Lawrence Horrigan.

Throughout our years in high school many boys and girls from the senior class participated in the athletic activities of the school. Walter Wrigley set a new record for the basketball season with a total of 338 points.

As in the past years we once again earned second place in the one-act play contest. This year the play was a dramatization of "Lights Out." Those participating in the play were Lawrence Horrigan, Carol Derry, Imogene Wallace, Edwina Blazejewski and Edward Krizac.

The senior play, "The Land is Bright," directed by Mrs. Margaret Ryan, was presented on March 7 at the Town Hall. The play with its large cast and many assistants, turned out to be quite a successful venture.

Eleanor Rex was chosen to represent us at the Good Government Day in Boston.

The D. A. R. Good Citizenship award was presented to Marguerite Blackmer.

Through the car, everyone worked together to change the car's and at the same time, make the car's description, their own. We also connected it to a data paper on the

The first-stand show had many senior participation. There were three seniors and more Russians, but I couldn't remember them. Peter H. and Walter W. were seniors as well as the director, and many of the seniors appeared in specialties and in the chorus.

The seniors left on April 12 to spend their much-anticipated week in New York and Washington. They returned on Sunday, April 19, at a very exciting and successful

For set for profit was between 10 and 15 percent, but not at all over the 10 percent social fair of our high school days.

Soon the week was upon us when we were to complete our high school days.

Thunderstorm service was observed Sunday evening, June 15, followed by a shower on Wednesday.

Graduation rates of 70 per cent, 75 per cent, and 80 per cent have all been met, with the 80 per cent schools exceeding the goal and others looking at individual ways.

The Juniors

by ANN MARTINELLI

In September of 1949 we were initiated into Orange High School with the amazing Freshman Welcome Day which was held in the form of a Sadie Hawkins race.

The officers elected for our freshman year were: President, Herbert James; vice-president, Frances May; treasurer, Alfred Vorce; secretary, Beverly Belloli.

Our first one-act play, "Come Out of It", was directed by Miss Frances Morse.

The three representatives on the Student Council were Carolyn Bassow, Shirley Jewett and Ann Martinelli.

We were proud to have David Grigalunas as an endman in the annual Minstrel.

Alfred Blazejewski was class marshal in June; thus our freshman year ended.

In our sophomore year we elected the following officers: President, Robert Whitaker, vice-president, Dorothy Cregan, treasurer, Kenneth Reed, and secretary, Phyllis Ha.

That year our one-act play contribution was "One Happy Family", which was directed by Miss Joanne LeVangie.

Student Council members were Beverly Belloli, Frances May, Shirley Jewett, Ann Martinelli and David Grigalunas.

The Sophomore Prom—our very first one—was held on April 27.

Philip Nelson was our class marshal in June.

This past fall we returned as upper classmen—juniors. Our officers this year are: President, Richard Snell, vice-president, Ann Martinelli, treasurer, Philip Nelson, and secretary, Shirley Jewett.

Student Council representatives are Ann Dabovik, Shirley Jewett, Dorothy Cregan, Ann Martinelli, Kenneth Reed and Alfred Vorce.

Our one-act play, "Sis of the Ozarks", was ably directed by Miss LeVangie.

Many class members took part in this year's Minstrel as well as in other school events.

As this year draws to a close, we are looking forward to our senior year with all its excitement—the class trip, play, senior prom and graduation.

The Sophomores

by JOAN SCOTT

Freshman Year

Early in September of 1950 the class of 1951 was initiated. We were a bit worried and all new comers, for we had heard of the strange things of our upper classmen. After we had scrubbed the gymnasium floor with toothbrushes and had attempted to find a ballet, we were accepted as "Freshmen."

Our class officers were: President, Robert Rock, vice-president, Georgiana Nodding, treasurer, Richard Johnson, and secretary, Myrtle Harper.

We elected as representatives to the Student Council, Marilyn Duval, Peter Phillips and Beverly Brown.

The next event was the one-act play contest. We astonished our experienced upper classmen by winning first prize! The play was entitled "We'll Face Life," directed by Mr. Earle Moody.

Our class marshal at Baccalaureate was Ernest Atherton.

We hated to have our freshman year end, but we consoled ourselves with the thought that next year we'd be sophomores, not lowly freshmen!

Sophomore Year

In the fall of 1951, we entered Orange High School as sophomores.

We elected as class officers: President, John McCoy, vice-president, Beverly Brown, treasurer, Roger Bergquist and secretary, Myrtle Harper.

Our Student Council members were: Beverly Brown, Margaret Eames, Shirley Marion, Pamela Phillips and Barbara Risatti.

In October, we presented our second one-act play, "The Blue Tea Pot" under the direction of Mr. Earle Moody. Again we surprised everyone by winning first prize!

In football, basketball and baseball, the sophomore class was well represented. The names of the players are too numerous to mention here, but the J.V. teams were comprised chiefly of sophomores.

In the Minstrel, two in our class were end men, Ernest Lambert and Glendon Gale.

The Sophomore Prom was held on May 2.

Being freshmen and sophomores is fun, but we just can't wait to be Juniors!

The Freshmen

by ANNE PARMENTER

The main event of this year was our official initiation at Orange High School—the Freshman Welcome presented by the Seniors.

For our class officers we elected James Guetti, president; Anne Parmenter, vice-president; Raymond Smith, treasurer, and Joanne Scott, secretary.

In the Student Council, Joanne Housen, Deanna Ward and Sally Wheeler represent the class.

In October, our Freshman play, "Not Quite Such a Goose", was directed by Mr. Leslie Anderson.

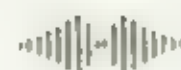

After hearing of the need of repairs at the town hall, the Freshman civics classes, under the direction of Mr. Leslie Anderson, went to work. We can feel that we have helped our town in a small way.

Our Freshman year is over and we now look ahead to our Sophomore year.

BASKETBALL

The Varsity

The O. H. S. basketball season was not so successful as the football campaign. The High School hoopsters closed the season compiling a ten won, fourteen lost 10-14 record.

The team has one thing to be very proud of and that is Walt Wrigley's breaking the individual scoring record previously held by "Whitey" Carlson. "Whitey" amassed a total of 335 points, only to have Walt flip in 12 points in the last game to bring his total for the season up to 338.

Here is the individual scoring and the team record:

Wrigley first 338, Wetherby second 264, Hubert third 223; Chenausky 171; Tremethick 105; Murchie 82; Letourneau 45.

Girls' Varsity Basketball Team

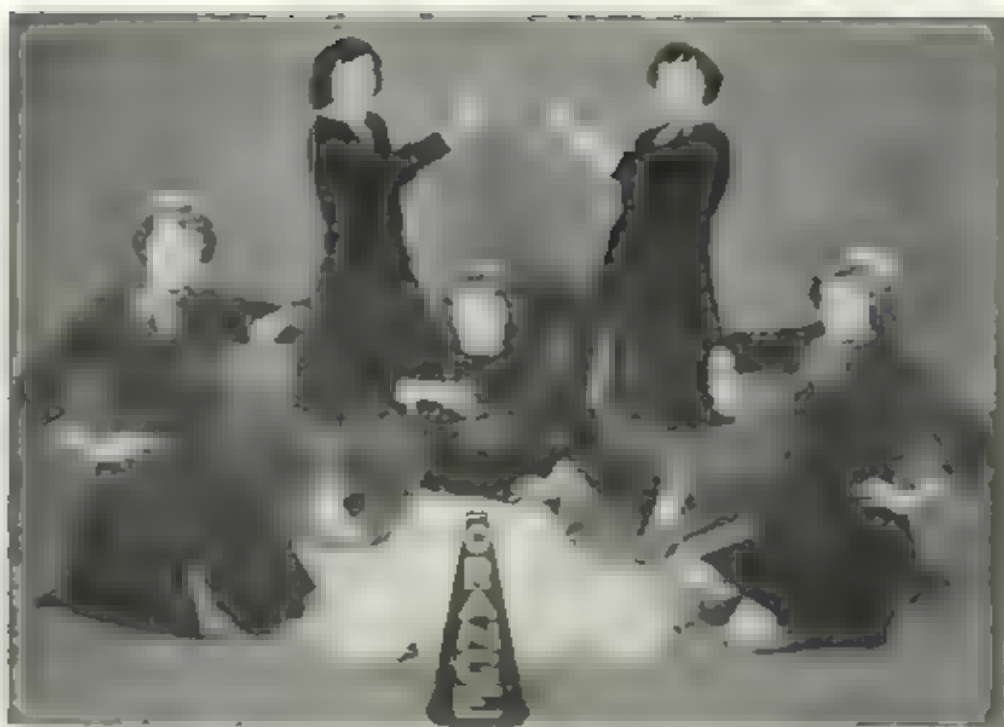

The 1951-52 O. H. S. girls' basketball team, coached by Miss LeVangie and Miss Brown, had a very successful season. The girls turned in an impressive nine and one record.

They got off to a fine start by defeating the Alumnac, and followed up the win with close, hard-fought victories over Arms Academy and Templeton by the scores of 26-23 and 28-26.

The girls then went on to trounce Gardner, Amherst, Greenfield and Arms Academy for a second time. The scores were 41-31, 26-21, 44-39, and 49-39 respectively.

In the return match with Greenfield, the OHS girls took another close one 37-35, and went on to defeat Gardner 40-29 in a return engagement.

The hopes of an undefeated season died as the girls bowed to the Amherst lassies in a 19-14 upset.
